

Protect your gift of sight

TO USE THE AMSLER GRID:

1. Look at the grid as if you're looking at a book, wearing your glasses or contact lenses. Position it approx. 30 cm away from your face.
2. Cover one eye, then focus on the dot in the centre.
3. If any lines appear to be wavy, disappear, or you see dark spots, mark those areas on the chart.
4. Contact your Eye Care Practitioner if any of the above occur or change.
5. Repeat these steps with the other eye.

Knowing the risk factors for Age-Related Macular Degeneration (AMD) may inspire you to make lifestyle changes that can help you manage your risk

Risk Factors^{1,2}

- Non-modifiable risk factors
- Modifiable risk factors

Age

Family History
